**Discretions under the Local Government Pension Scheme Regulations 1995 (as amended) in relation to pre 1.4.98 scheme leavers**

Importance	Discretion	Regulation	Employer Policy
 Mid	Grant application from a pre 1.4.98 leaver for early payment of deferred benefits on or after age 50 on compassionate grounds (see Note below)	D11(2)(c)	The Board has no intention to make use of this discretionary power.
 Low	Decide, in the absence from a pre 1.4.98 leaver of an election from the member within 3 months of being able to elect, which benefit is to be paid where the member would be entitled to a pension or retirement grant under 2 or more regulations in respect of the same period of Scheme membership	D10	The Board has no intention to make use of this discretionary power.

**Note:** benefits paid on or after age 50 and before age 55 are subject to an unauthorised payments charge and, where applicable, an unauthorised payments surcharge under the Finance Act 2006. However, as the benefits had accrued prior to 6 April 2006, they would not generate a scheme sanction charge.
